Helping Local Kids

Children's Miracle Network Hospitals is a charity that raises funds for more than 170 children's hospitals. Donations to Children's Miracle Network Hospitals are used to provide charitable care, purchase life-saving equipment, and fund research and education programs that save and improve the lives of 17 million children each year.

RE/MAX has helped donate \$32 million annually to the Children's Miracle Network Hospitals and RE/MAX Plus has helped raise \$60,000 annually to the affiliate Golisano Children's Hospital at Strong. Also, RE/MAX Real estate Brokers in the Rochester area have donated \$100,000 toward a private pediatric room in the new building for Golisano Children's Hospital at Strong. The three local offices - **RE/MAX Plus**, RE/MAX First, RE/MAX First Commercial, and RE/MAX Realty Group have rallied together to make this very generous commitment to help build an even better Children's Hospital. RE/MAX has been a Children's Miracle Network Hospital's sponsor for over 15 years.*

We personally donate a portion of our income from each sale in order to support the program.
